Acknowledgements

The RNLI would like to thank the following organisations* and individuals without whom this resource would not have been possible. A very warm thank you to everyone involved in helping to provide valuable information and resources contributing to this project. Your help in gathering material and in allowing artefacts and documents from your collections to feature within this resource is gratefully appreciated.

*particularly the dedicated professionals within them

Credit has been given where it is known but the RNLI would be grateful for any information where errors or gaps remain.
